THE WESTMINSTER PRESS

920 Witherspoon Bldg. Philadelphia, PA. 19107

Interaction of the “Sibling” Byzantine and Western Cultures in the Middle Ages and Italian Renaissance (330-1600)

Deno John Geanakoplos

A unique interdisciplinary study showing the gradual permeation in the West of both the classic Greek inheritance and the creativity of the Orthodox church. Focusing on the estrangement of two kindred societies and churches, it analyzes their encounter in theology, political ideology, mysticism, liturgy, law, and art. Illus. \$27.50

The Godly Man in Stuart England

*Anglicans, Puritans, and the Two Tables,
1620-1670*

J. Sears McGee

McGee examines Anglican and Puritan concepts of the “godly man”—that ideal pattern of Christian behavior which was depicted in sermons, tracts, and letters by seventeenth-century Englishmen. He finds that, although the two groups shared many traits, they were nevertheless distinct in several identifiable ways. \$17.50

Religion and Respectability

*Sunday Schools and English Working Class
Culture, 1780-1850*

Thomas Walter Laqueur

In this wide-ranging investigation of Sunday schools, Laqueur challenges the conventional view of their quiet and minor role in the working class community and argues for their fundamental importance as sources of education for the working classes and as forces for social change. \$22.50

The Yale Edition of The Complete Works of St. Thomas More

*Volume 12: A Dialogue of Comfort against
Tribulation*, edited by Louis L. Martz and
Frank Manley Illus. \$42.50

*Volume 13: Treatise on the Passion;
Treatise on the Blessed Body; Instructions
and Prayers*, edited by Garry E. Haupt
Illus. \$35.00

*Volume 14, Parts I and II: De Tristitia
Christi*, edited by Clarence H. Miller
Illus. 2-volume set \$60.00

Coming in Spring 1977

The Works of Jonathan Edwards

Volume 5: Apocalyptic Writings

edited by Stephen J. Stein

This volume presents the first published text of Jonathan Edwards' private commentary on the book of Revelation. Edwards' fascination with apocalyptic speculation spanned his lifetime, as did his conviction that the visions could be useful in the life of the Christian church. The volume also contains the first complete edition (since the eighteenth century) of the *Humble Attempt*—the call for united prayer that was Edwards' response to the decline in religious fervor after the Great Awakening. \$28.50

Yale University Press
New Haven and London

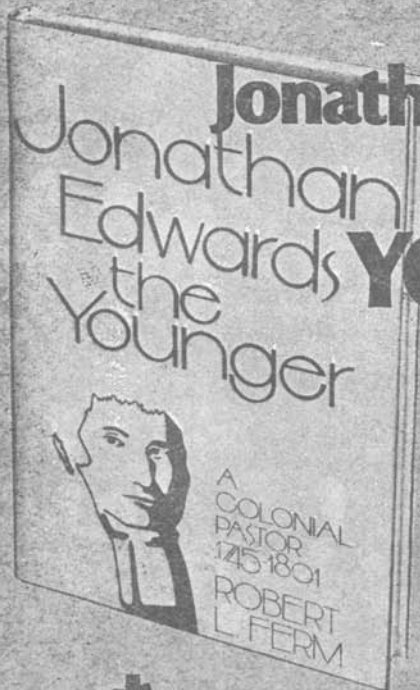

"Robert L. Ferm's biography . . . is a very welcome addition to the history of a neglected period in American religious and intellectual history. He provides a sensitive, lucid, and carefully researched account which throws valuable light on the years between the First and Second Great Awakenings."

—Sydney E. Ahlstrom
Yale University

The accomplishments of Jonathan Edwards the younger have been overshadowed by his luminous father. Yet his significance in the development of American theology was great.

Here Robert Ferm focuses attention on the younger man as well as the eighteenth century in which he lived. Working directly with manuscript sources, he examines in detail the complex party structure within the New England churches and, by looking at Edwards' responses and contributions, clarifies the fervent theological issues of his day.
