THE SECRET OF THE MORGUE

IF you think you're shock proof try this new Eberhard thriller. When Dr. Eberhard dissects a corpse for you the chills race up and down your spine. . . . . In his new book Eberhard starts with an innocent appearing suicide. A bank official had apparently paid his penalty for a $200,000 shortage. Soon afterwards his wife burns to death. The coroner's jury calls it an accident. . . . But Lyman K. Wilbur, lawyer and criminologist disagrees. He succeeds in recovering the corpses, and has an autopsy performed. What secrets of the morgue are disclosed? . . . . . For gruesome thrills no mystery published this season is likely to come within a hundred miles of this new Eberhard hair-raiser.
