VISIONARY POETICS

Milton's Tradition and His Legacy

by Joseph Anthony Wittreich, Jr.

Like Spenser before him, Milton was profoundly influenced by the Book of Revelation; both men learned from this biblical model to combine epic and prophecy in their poetry. It was Milton, however, who brought the combination closest to perfection, and it was his tradition that became a guide to the Romantic poets of the nineteenth century. In this book the author also turns his attention to *Lycidas*, analyzing this masterpiece in detail and showing how it looks ahead to *Samson Agonistes* and *Paradise Regained*. A learned and important book, of interest to the lover of English literature.

Le Petit Larousse Illustré 1980

The definitive authority for over 100 years, the Petit Larousse Illustré has been called "perhaps the most remarkable of all compact general reference works" by Saturday Review. With over 70,500 entries, 5,500 illustrations and 1,981 pages, the famous Petit Larousse Illustré has added 75 new words, 43 new accepted expressions and 49 new proper names for its 1980 edition. Hardbound with line drawings, photographs in black and white and color, charts, maps and the well-known "section rose."

"Expertise and professionalism have led to the production of a "little" masterpiece. Indeed, in almost 2,000 pages, a wealth of valuable information is presented."—*Social Science*

"This latest edition maintains the high standards of Larousse.... It is the premiere desk-sized encyclopedic dictionary for the French language."—*American Reference Books Annual*

Critical Acclaim for 'Trollope & Politics'

"... by far the best examination of Trollope's political novels so far written... Halperin's book is a splendid example of American scholarship. He knows more about the English 19th century scene than most Englishmen, and is very good... on Trollope's social niceties... I found myself agreeing with most of his political judgments, and all his literary ones."—C. P. SNOW, in *The Times* (London)

The Poetic Achievement of Ezra Pound

Fredric Jameson

Fables of Aggression

Wyndham Lewis, the Modernist as Fascist

Lewis's novels have generally been associated with the work of the great modernists. His originality, however, can be fully grasped only when it is understood that he was essentially a political novelist. Jameson proposes a framework in which Lewis's explosive language practice can be grasped as a political symbolic act.

NEW PERSPECTIVES IN GERMAN LITERARY CRITICISM

Edited by Richard Amacher and Victor Lange

Presented here for the first time in English translation are selected critical essays from five volumes of the *Poetik und Hermeneutik* series published in Germany by the Wilhelm Fink Verlag of Munich. These essays represent some of the newest and most advanced thinking of fifteen leading scholars in the German-American interdisciplinary school of literary criticism. Until now no single volume has provided such an extensive contemporary treatment of literatures, problems, and methodologies representative of European criticism. Illus. \$25.00

INESCAPABLE ROMANCE

Studies in the Poetics of a Mode

Patricia A. Parker

Defining "romance" as a form that simultaneously seeks and postpones a particular end, revelation, or object, Patricia Parker interprets its implications in the works of Ariosto, Spenser, Milton, and Keats, and its modern restatement in the poetry of Mallarmé, Valéry, and Stevens. In placing the texts within their literary and historical contexts, she provides a literary history of romance as genre, a fresh reading of individual poems, and an exploration of the continuing romance of figurative language itself. \$17.50

UNCONSCIOUS STRUCTURE IN THE IDIOT

A Study in Literature and Psychoanalysis

Elizabeth Dalton

Arguing that psychoanalytic method enlarges and enriches the significance of literature by discovering a fundamental unconscious structure governing meaning and form in the literary text, Elizabeth Dalton presents both a new and lucid reformulation of the theory of psychoanalytic criticism and a penetrating study of Dostoevsky's great novel, *The Idiot*. \$15.00

MIDDAY IN ITALIAN LITERATURE

Variations on an Archetypal Theme

Nicolas J. Perella

Although midday is commonly associated with indolence or the languishing of both nature and humanity in stifling heat, Nicolas Perella shows that this connection is secondary to an archetypal encounter with noontide as a moment of existential crisis of spiritual as well as erotic dimensions. First tracing the literary presence of this image from classical and biblical antiquity to Nietzsche and other modern writers, he then analyzes the preoccupation with midday in the imagination of Italian authors from Dante to the present. \$18.00

VIRGIL'S POEM OF THE EARTH

Studies in the *Georgics*

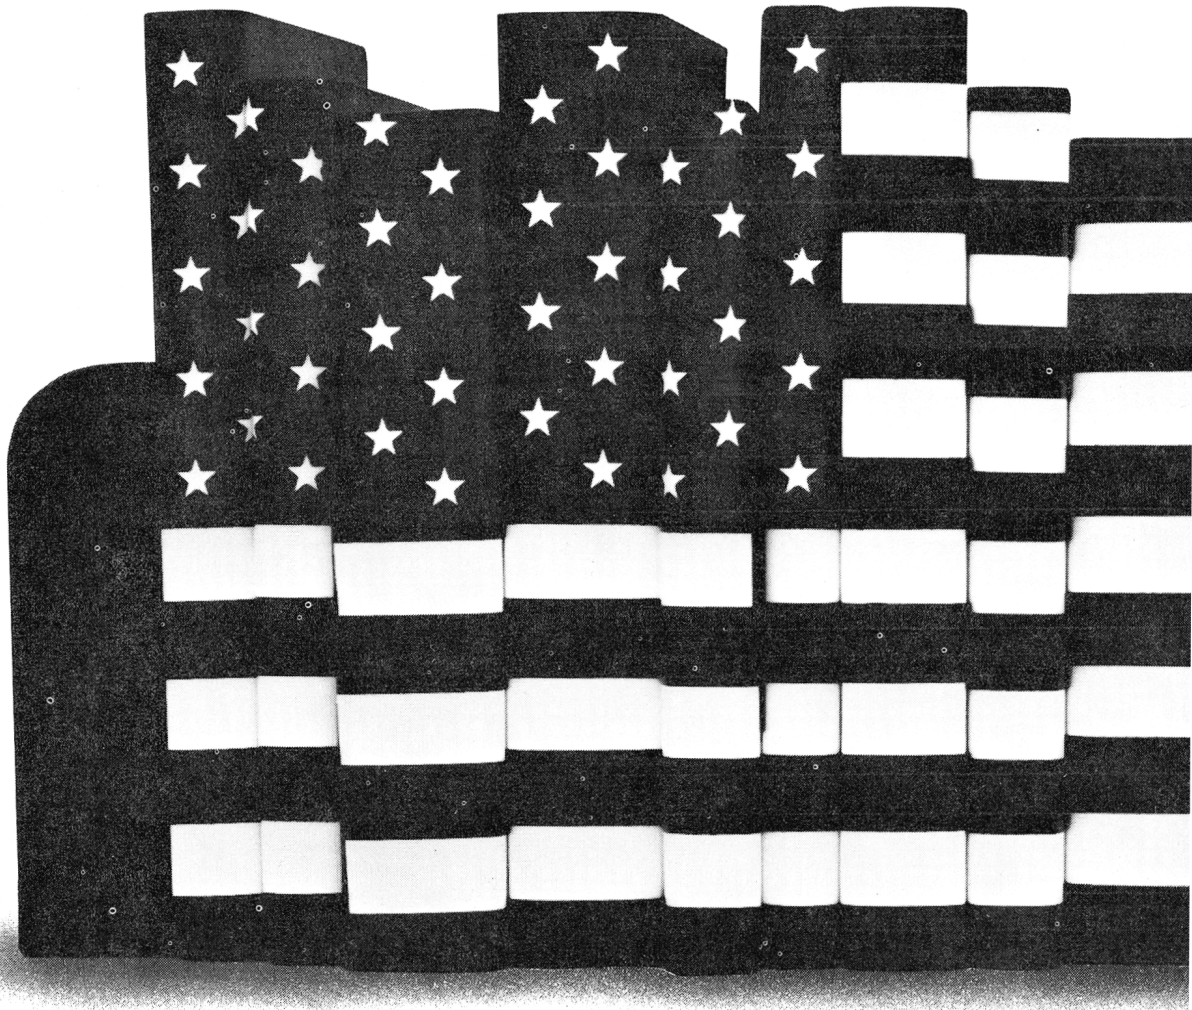

Michael C. J. Putnam

The central of Virgil's three masterpieces, the *Georgics* is generally viewed as a utilitarian poem primarily concerned with agriculture and the farmer's work in the fields. Substituting for this common view a much more complex scheme, Michael Putnam treats the *Georgics* as a poem of ideas on the ambiguities of the civilizing process, which while teaching us how to deal with nature, in fact forms a handbook bent on showing us ourselves. \$20.00

HARVARD GUIDE TO CONTEMPORARY AMERICAN WRITING

Daniel Hoffman, Editor

Announcing a comprehensive survey of American letters from World War II to the present.

This guide is designed to help clarify the often confusing complexities and discontinuities of style and content in contemporary American writing. In original essays, ten eminent critics describe and assess the work of American novelists, playwrights, and poets, and analyze the intellectual and critical environment in which they worked during the past four decades.

The essays and their authors

include: **Intellectual History** by Alan Trachtenberg; **Literary Criticism** by A. Walton Litz; **Realists, Naturalists, and Novelists of Manners** by Leo Braudy; **Southern Fiction** by Lewis P. Simpson; **Jewish Writers** by Mark Shechner; **Experimental Fiction** by Josephine Hendin; **Black Literature** by Nathan A. Scott, Jr.; **Women's Literature** by Elizabeth Janeway; **Drama** by Gerald Weales; **Poetry** by Daniel Hoffman. \$18.50

The excitement of Pound, Eliot, Lewis and their circle in the early years of their creative glory...

Vortex: Pound, Eliot, and Lewis

By **TIMOTHY MATERER**. "Timothy Materer's combination of full knowledge and admirable judgment makes *Vortex* a truly valuable work....To handle these authors at once so fairly and so firmly – as Materer does – is a triumph." – ARTHUR MIZENER

"Materer has done an excellent job of tracing the complicated relationships of Pound, Eliot, and Lewis, and of demonstrating the significance for all three of Vorticism and its 'blighted hope'. He shows convincingly how the three principals were united by their common concern with craft, tradition, and social responsibility and at the same time divided by their differing attitudes toward philosophical and political problems. He expertly analyzes the parts played by Gaudier-Brzeska and James Joyce on the fringes of the Vortex and demonstrates the crucial importance of World War I. His detailed knowledge of the art of both Gaudier-Brzeska and Lewis makes it possible for him to clarify the role of Vorticism in bridging the gap between the visual and the verbal arts." – DONALD GALLUP

"*Vortex* challenges comparison with Hugh Kenner's masterly book, *The Pound Era*, and astonishingly it survives the comparison. By moving nearer to center-stage the paintings of Wyndham Lewis and the sculpture of Gaudier-Brzeska, Timothy Materer puts in a new light the writers associated with these great artists – Eliot, Pound, and Joyce." – DONALD DAVIE

Nonsense

Aspects of Intertextuality in Folklore and Literature

Susan A. Stewart

"This is a constantly surprising, sustained act of synthesis that brings together some of the best thinking that has been done in a variety of disciplines (folklore, literary criticism, anthropology, linguistics, etc.) in such a way as to throw fresh light on subjects of interest to them all." — *James M. Holquist, University of Texas*

Using textual examples from children's literature, nineteenth-century nonsense literature, and "modernist" writers from Rabelais to Richard Foreman, Susan Stewart explores the labyrinthine relationships between common sense and nonsense. Nonsense, she demonstrates, encompasses a set of possibilities as rich and complex as the more conventional systems for making sense. \$12.95

Tennyson and Clio

History in the Major Poems

Henry Kozicki

In *Tennyson and Clio*, Henry Kozicki examines Tennyson's philosophy of history and demonstrates how it provides the underlying structure of his poems. Through close readings of major works, and with new evidence from Tennyson's previously unpublished poems and fragments, from markings and annotations in books Tennyson owned and from Lady Emily Tennyson's journal, Kozicki identifies a complex of ideas and emotions that center on three main themes: God, History, and Man. \$12.50

MLA DIRECTORY OF

PERIODICALS

A GUIDE TO JOURNALS AND SERIES
IN LANGUAGES AND LITERATURES

Current and comprehensive, the *MLA Directory of Periodicals* is the only reference that answers scholars' questions about the 2,877 journals and series indexed in the *MLA International Bibliography*. Entries in the *Directory* are arranged alphabetically by title and follow the format of the sample on the left. These entries are supplemented by a series of extensive indexes for subject matter, sponsoring organizations, editorial personnel, and the languages in which articles and monographs are published. An essential tool, the *Directory* enables the scholar to locate journals, to avoid delays in research, and to determine the best publication for the submission of articles and monographs.

Available on a single order or subscription basis, the *Directory* will be published biennially and has a list price of \$65.00 and special discount prices of \$30.00 for MLA members and \$25.00 for MLA bibliographers.

The Generation of 1914

Robert Wohl

"A masterful philosophical, social, and literary analysis of the European youth in five western countries.

Through immense learning, controlled with ease and elegance, the author throws much light on the perennial misunderstanding between generations and the vexing obstacles that stand in the way of spiritual progress."

—Henri Peyre

The Letters of William Lloyd Garrison

Volume V: Let the Oppressed Go Free, 1861–1867

Walter M. Merrill, Editor

As editor of *The Liberator* and president of the American Anti-Slavery Society, William Lloyd Garrison was the acknowledged spokesman for radical antislavery opinion. By 1861 he was a widely respected and influential abolitionist. The letters show Garrison as a family man and curious observer as well as a reformer with a vision of a free and peaceful land. *Belknap* \$37.50

NOW IN PAPER

Nature, Addresses, and Lectures

Ralph Waldo Emerson

Robert E. Spiller and Alfred R.

Ferguson, Editors

Emerson's first publication was the long essay *Nature*, and in Perry Miller's words the "pivotal utterance" of the Transcendentalist movement. It was followed by the four addresses, notably "The American Scholar," and the notorious "Divinity School Address," and five lectures printed in *The Dial*.

"Spiller and Ferguson have produced a 'critical' and unmodernized text as close to Emerson's original intent as modern bibliographical research can come."

Fairy Tales and After

From Snow White to E. B. White

Roger Sale

Sale "is interesting and very engaging; he is a constructive rather than a destructive—or a deconstructive—critic. In this era of self-conscious and abstruse (often obtuse) textual analysis, his air of wondering and grateful appreciation, his concern for the writer's intention, and his willingness to use the word 'I' seem most attractive."

—*New York Review of Books*

"It is all, as Charlotte, that spidery spinner of words, puts it:

'TERRIFIC.'"

The Creation of Nikolai Gogol

Donald Fanger

"The best thing in English on Gogol."
—*Edward J. Brown*

"A major book, destined to mark a turning point in Gogol criticism, if not in fiction studies generally."
—*Hugh McLean*

Fanger shows how the eccentric genius took form within and against its immediate context and opened the way to the great age of the Russian Revolution. Using literary history and literary sociology with textual criticism and structural interrogation, the author provides a framework for understanding Gogol's work as a whole, plus original interpretation of individual works.

Utopian Thought in the Western World

Frank E. Manuel and
Fritzie P. Manuel

This magisterial work is at once a panorama of utopian thought and an adventure in ideas. Ranging over centuries, the history it unfolds is primarily the story of individuals: thinkers or dreamers who have envisioned an ideal social order and described it persuasively. From More to Marcuse, the roster of utopians includes novelists, philosophers, statesmen, priests, revolutionaries, architects, and scientists. *Belknap*

Sexuality and Feminism in Shelley

Nathaniel Brown

In many ways, Shelley anticipated the work of modern students of human sexual behavior. This is an analysis of sexual attitudes and practices in the Romantic period, and a contribution to the history and theory of feminism. Brown compares Shelley with his contemporaries, particularly Byron, and explores the laws, ideas, and practices of the period. \$17.50

The World Viewed

Reflections on the Ontology of Film
Enlarged Edition

Stanley Cavell

Stanley Cavell looks closely at America's most popular art and our perceptions of it. His explorations of Hollywood's stars, directors, and most famous films—as well as his fresh look at Godard, Bergman, and other great European directors—will intrigue film-viewers everywhere.

MICHIGAN ORAL LANGUAGE SERIES: ACTFL EDITION

Structured oral language lessons for 4-, 5-, or 6-year old Spanish-background children, accompanied by evaluation and teacher training materials. All items in the series are loose-leaf, held secure with paper bands.

D501 Bilingual Conceptual Development Guide—Preschool.—Designed for the 4-year-old, provides activities to introduce basic English language patterns and sounds. Activities focus on basic intellectual skills introduced in Spanish and then reinforced in English. Provides an 8-week period of instruction with 3 separate 15-minute activities for each day. ACTFL, 1970. 396 pp. \$11.00

D502 English Guide—Kindergarten.—For teaching English to Speakers of Other Languages and Standard English as a Second Dialect. Conceptually, these materials provide a bridge from the development of basic intellectual skills to their application in subject matter. The activities are planned for 30 minutes per day for one academic year. ACTFL, 1970. 146 pp. \$6.00

D503 Spanish Guide—Kindergarten.—For teaching Spanish as a Second Language or Standard Spanish as a Second Dialect. The activities are planned for 30 minutes per day for one academic year. ACTFL, 1970. 282 pp. \$9.00

Interdisciplinary Oral Language Guide—Primary One. A program to teach first grade children who speak Spanish, or who are limited in their command of standard English, the oral language necessary for success in the usual school environment. The content is drawn principally from social science, science, and mathematics. Each lesson lasts about 40 minutes.

MLA-COOPERATIVE FOREIGN LANGUAGE PROFICIENCY TESTS FOR TEACHERS AND ADVANCED STUDENTS

Formerly distributed by the Educational Testing Service, these tests of advanced level competence in five languages—French, German, Italian, Russian, and Spanish—are now available to qualified purchasers from the MLA Publications Center. In each language, the tests, designed for advanced students and teachers, provide separate measures of skills in listening, speaking, reading, and writing, as well as applied linguistics, civilization and culture, and professional preparation. Request the free booklet "MLA-Cooperative Foreign Language Proficiency Tests" for sales restrictions, descriptions of the tests, prices, and ordering information.
