Lasting Cleaner Satisfaction

A good Electric Sweeper should last all your life. Invest in one that will do the work so well as to give enduring satisfaction. Those who have used the Hoover longest are the most enthusiastic about it. Their rugs give evidence of the good judgment they used in choosing a cleaner.

Cleans Without Beating and Pounding

OHIO TUEC ELECTRIC CLEANER

Vacuum cleaners are as different in mechanical design and quality as are sewing machines. It will pay you to investigate carefully before making your choice.

The OHIO-TUEC brush is not electrically driven at high-speed to beat, pound and wear your carpets, but depends for its superior efficiency on *greater suction power.* We will be glad to deliver an OHIO-TUEC to your home for examination and trial if you will call, write or telephone.
