**THIS SEAL  
GUARANTEES  
"BOOK PERFORMANCE"**

You may ask, "How does one measure performance?" — By quality, of course! The better the quality, the greater the performance.

Whether you order prebound new books or rebinding of worn ones, you just can't get better binding than that you get from your **CERTIFIED LIBRARY BINDER**. As a member of the Library Binding Institute he is pledged to adhere to the standards of quality formulated by experts who know how library books should be bound.

For maximum performance insist on a binder who displays the LBI seal and who provides a warranty to protect your investment.

Without this seal you have no assurance that your book has been truly library bound.

Be well-informed. Write today for free literature. There is no obligation.
