SONATA BAD IDEA

Music students at Ohio State University who have a gripe to air about the OSU Music/Dance Library can always "sound off" to the Johann Suggestion Box. Originally a cardboard affair, the suggestion box underwent renovation in 1981 when library staff presented a handmade, varnished, permanent version—complete with portraits of Johann Sebastian and P.D.Q. Bach on each side—to music librarian Thomas F. Heck.

Heck, who personally answers all the questions, suggestions, and complaints submitted to the box under "Johann's" signature, says it has prompted its fair share of patron interaction and is a very good public relations device.

Some of the queries are answered in verse or dialogue and all contain a fair amount of musical puns. Ever since the box was made available, student-staff relations at the library have been very chordial. ■■

Classified Advertising

Deadlines: Orders for regular classified advertisements must reach the ACRL office on or before the second of the month preceding publication of the issue (e.g., September 2 for the October issue). Late job listings will be accepted on a space-available basis after the second of the month.

Rates: Classified advertisements are \$4.00 per line for ACRL members, \$5.00 for others. Late job notices are \$10.00 per line for members, \$12.00 per line for others. Organizations submitting ads will be charged according to their membership status.

Telephone: All telephone orders should be confirmed by a written order mailed to ACRL headquarters as soon as possible. Orders should be accompanied by a typewritten copy of the ad to be used in proofreading. An additional \$10 will be charged for ads taken over the phone (except late job notices or display ads).

Guidelines: For ads which list an application deadline, that date must be no sooner than the last day of the month in which the notice appears (e.g., October 31 for the October issue). All job announcements must include a salary figure. Job announcements will be edited to exclude discriminatory references. Applicants should be aware that the terms *faculty rank* and *status* vary in meaning among institutions.

JOBLINE: Call (312) 944-6795 for late-breaking job ads for academic and research library positions. A prerecorded summary of positions listed with the service is revised weekly; each Friday a new tape includes all ads received by 1:00 p.m. the previous day. Each listing submitted will be carried on the recording for two weeks. The charge for each two-week listing is \$30 for ACRL members and \$35 for non-members.

Fast Job Listing Service: A special newsletter for those actively seeking positions. The service lists job postings received at ACRL headquarters four weeks before they appear in *C&RL News*, as well as ads which, because of narrow application deadlines, will not appear in *C&RL News*. The cost of a six-month subscription is \$10 for ACRL members and \$15 for non-members.
