POSITIONS OPEN

Cataloging

CATALOG ADMINISTRATOR. Can you untie the Gordian knot? If so, perhaps you can also accept the challenge of organizing the Catalog Department in a large, distinguished university library which has been in a slump. Every effort is being made to improve the situation as we prepare to move into the most dramatic new academic library building in the country. We need a forceful, production-oriented Head to lead the Catalog Department. Staff—30. Book budget—\$500,000. Salary to \$13,200, depending upon qualifications. Usual Benefits, TIAA, etc. Write: Michael J. Costin, Assistant University Librarian, Northwestern University, Evanston, Illinois 60201.

CATALOGER-CHIEF Technical Services. Departmental staff of 4. Degree from ALA accredited school and two years' experience. Since reclassification is in the future, familiarity with L.C. schedule desired. Would like intelligent, young, innovative person. Salary: negotiable from \$9,500—depending on qualifications. Excellent fringe benefits. Lawrence is a small liberal arts college with an excellent academic reputation. Apply to: W. F. Peterson, Librarian, Lawrence University, Appleton, Wisconsin 54911.

CHIEF CATALOGING LIBRARIAN: To supervise a staff of 7 catalogers, 13 sub-professional. Library of Congress classification in use since November, 1966; reclassification project under way. Interest in experimenting with MARC II tapes and with data processing equipment is important. Supervisory experience in technical services is desired. Ability to delegate responsibility and to make effective use of non-professional assistants is highly important. Salary \$10,000-\$14,000. Apply to Joe W. Kraus, Director of Libraries, Illinois State University, Normal, Illinois 61761.

HEAD CATALOGER for undergraduate men's college library, adding 10,000 volumes annually. Supervise staff of 1½ professionals, 3-5 clerical. Improved salary range. Box 758, CRL, 50 E. Huron St., Chicago 60611.

CATALOGER in rapidly expanding undergraduate library. Unusual opportunity for beginning cataloger. Salary and benefits advantageous. Box 758, CRL, 50 E. Huron St., Chicago 60611.

UNIVERSITY OF ILLINOIS, Library of Medical Sciences, Chicago. **CATALOGER.** Fifth-year library school required, subject training

in biological sciences or chemistry desirable, salary dependent on training and experience, month vacation, retirement system, academic rank. Write Wilma Troxel, Director, University of Illinois, Library of Medical Sciences, 1853 West Polk Street, Chicago, Illinois 60612. Telephone: 312-663-7332.

Miscellaneous

THEOLOGICAL AND PUBLIC SERVICES LIBRARIAN in library serving liberal arts college and theological seminary. MLS and academic background in theology required. STOUT STATE UNIVERSITY, Menomonie, Wisconsin, seeks candidates for three positions: (1) Acquisitions Librarian, (2) Acting Catalog Librarian (September 1969-August 1971), (3) Educational Materials Center Librarian. The Acquisitions Librarian, with a professional assistant, is responsible for directing the work of the department in both collection development and orderly expenditure of funds. The Library is in a period of aggressive collection development and expansion. The ordering process is completing its first year of automation. Interest in all the aforementioned aspects of the position and previous acquisitions experience are essential. For the second position, a cataloger with considerable experience is desired, to direct the work of the department while the regular department head is on leave. All new cataloging is in L.C.; conversion from Dewey is in process. Familiarity with MARC, and an interest in continuing and developing automation in progress, are required. The position of Educational Materials Center Librarian carries

the responsibility and challenge of initiating and developing a new department. Background in this area is desired. All positions require the Master's degree in library science. Positions carry faculty status and perquisites, including excellent fringe benefits. Salaries are on academic year basis, with additional compensation for summer session employment, which is customarily required. Salaries are open, and appropriate to training and experience. Stout is a Wisconsin State University, specializing in industrial education, industrial technology, home economics, vocational education, and related fields. Present enrollment is 4,330. An air-conditioned addition to the present building will provide excellent working facilities. Menomonie is a small city, situated in the heart of beautiful country, with easy freeway access to Minneapolis-St. Paul, 70 miles to the West. Apply to: Miss Phyllis D. Bentley, Librarian, The Robert L. Pierce Library, Stout State University, Menomonie, Wisconsin 54751.

UNIVERSITY OF COLORADO LIBRARY is seeking candidates for 2 positions: (1) Science cataloger, with strong science background, (2) Romance languages cataloger. Knowledge of LC desired in both cases, but will consider recent graduate. Salary \$7,500.00, higher for appropriate experience and additional degrees. Faculty rank with all perquisites; eligibility for TIAA; 22 days vacation; transportation to one professional meeting each year. Candidates must have library degree from ALA accredited library school. Position available July 1, 1969. Send complete resumes to: Eugene Petriwsky, Assistant Director for Technical Services, University of Colorado Libraries, Boulder, Colorado 80302.

UNIVERSITY OF WATERLOO invites applications for the following positions open July 1, 1969. *Head of Technical Services.* Qualifications include graduation from an accredited library school and experience in technical services at a college or university library. Cataloging experience is essential and a first-hand knowledge of acquisitions, serials or documents routines is an asset. The person who will direct the technical services operation must be interested in methods of getting books into use in the quickest and most efficient way. Salary minimum of \$13,000 per year. Approval programs are in operation and will be expanded. Automation will be effected by stages. The technical services staff consists of 16 librarians and a supporting staff of 62. Book budget for 1969-70 will be in excess of \$850,000. *Head of Public Services,* Engineering, Mathematics and Science Division. Background in science and a degree from an accredited library school, as well as library experience and proven administrative ability, are required. Duties involve overall supervision of a full-time staff of 20 including five librarians, liaison with faculty and students, and coordination with other divisions of the library. Salary minimum of \$11,500 per year. This divisional library, housed in the new Mathematics and Computer Building, has

a collection of approximately 100,000 volumes and is growing at the rate of 15,000 volumes per year. Automated circulation control planned. *Head of Reference, Humanities and Social Sciences (Arts) Division.* Degree from an accredited library school and experience in reference work, preferably in an academic library, are minimum requirements. Duties include supervision of a staff of nine of whom five are librarians, and planning and coordinating reference services primarily for the Faculty of Arts' teaching staff and 2,000 students. Salary minimum of \$9,500 per year. The Arts Library collection consists of some 200,000 volumes of books and periodicals and is growing by 35,000 volumes per year. *Cataloger* required with degree from an accredited library school and minimum of 3 years' experience preferably in an academic library. Will assist in training and supervising new catalogers in a department with a staff of 35, including 10 librarians. Working knowledge of L.C. classification and the Anglo-American code essential. Salary minimum of \$8,400 per year. Total library staff numbers 140 including 30 librarians, serving 7,700 undergraduate and 1,100 graduate students as well as 1,800 members of faculty and administrative staff. The twin cities of Kitchener-Waterloo have a population of 130,000 and are located within an hour's drive of Toronto, London and Hamilton in a prosperous and attractive area of southern Ontario. Please address inquiries to: University Librarian, University of Waterloo, Waterloo, Ontario, Canada.

UNIVERSITY OF NORTHERN IOWA. Two positions now available. 1) *Head of Acquisitions.* Department of 3 professionals, 2 sub-professionals, 4 clericals. Library degree and several years of acquisition, administrative experience required. Beginning salary \$10,000-\$13,000, depending upon education, experience. 2) *Youth Collection Librarian.* In charge of special collection of about 10,000 volumes of school level material. Library degree and several years of school library experience and intense interest in children's materials required. Beginning salary \$9,000-\$11,000. Both positions carry faculty status. TIAA-CREF and other fringe benefits. Library has over 300,000 volumes, staff of 50, budget of \$800,000. University enrollment of 9,500. For full information write and/or send credentials to Donald O. Rod, Director of Library Services, University of Northern Iowa, Cedar Falls, Iowa 50613.

Public Services

LIBRARIAN I for public services in a new, dynamic public library. \$1,380,000 building to be completed by January, 1970. Salary \$581 to \$742. Applicant with experience may start above first step. Promotion to Librarian II—\$818 maximum—likely after one year. Send resume to: Mr. Clarence Boyd, 1961 Gabriel Dr., Las Vegas, Nevada 89109.

INFORMATION SPECIALIST to serve needs of Colorado industry under State Technical

Services Act. Provide reference, literature search and photocopy services with staff of one sub-professional plus student assistants. Participate in promotional activities including newsletters, displays, some local travel. Must be able to work with literature of sciences, business and technology in serving technical clientele. Initially under general direction of Business Librarian, position offers opportunity to assume increasing responsibilities for entire operation. Annual salary to \$9,500.00 depending on qualifications. Faculty rank with all prerequisites; eligibility for TIAA; 22 days vacation; transportation to one professional meeting each year. Candidates must have MLS from ALA accredited library school. Position available approximately August 1, 1969. Send complete resumes to Leo W. Cabell, Assistant Director for Public Services, University of Colorado Libraries, Boulder, Colorado 80302.

Reference Services

CIRCULATION AND REFERENCE LIBRARIAN. Challenging position in rapidly growing library, undergraduate men's college. Supervisory experience essential. Interest in teaching library subject bibliography courses. Salary competitive. Box 758, CRL, 50 E. Huron St., Chicago 60611.

GENERAL REFERENCE, \$7600 and up, depending on qualifications. Miami University, founded in 1809, has an enrollment of 11,000 and a library of over 500,000 volumes and offers accredited doctorates in 10 subjects. Oxford is a sylvan university town near Hueston Woods state park and 35 miles northwest of Cincinnati. Apply to John Weatherford, Associate Director and University Librarian, Miami University, Oxford, Ohio 45056.

REFERENCE & PUBLIC SERVICES LIBRARIAN. Masters in library science required. Will develop a program of creative reference service for faculty and students at small private liberal arts college. New building ready for occupancy summer 1970. Opportunity to develop "materials center" and "library-college" concepts. Salary \$7,000 and up. Position open July 1. Apply: Ted Kneebone, head librarian, Yankton College, Yankton, S. Dak. 57078.

POSITION OPEN—MIDWEST. Reference. Assistant Head is required now in the College Information Department to initiate programs presenting the library to undergraduates. Duties also include reference work, book selection, and supervision of student assistants. Experience in University or College libraries preferred. Originality and initiative highly valued. Faculty rank. New air-conditioned building. Application and inquiries should be sent to: Dr. R. Carpenter, Acting-Director of Library, Bowling Green State University, Bowling Green, Ohio 43402.

REFERENCE LIBRARIAN—Assistant in central function soon to become subject divisional,

open July 1. Fifth year graduate degree from accredited library school required. Academic reference experience, subject or language facility desirable. Salary dependent upon qualifications. Faculty rank, normal benefits. Contact Dean of Library Service, University of Montana, Missoula 406-243-2053.

RESOURCES

Subject Specialists

ASSISTANT RESOURCES LIBRARIAN. Librarian III, step 2, \$9,852. Open October 1, 1969. Work with Assistant University Librarian for Resources and Technical Services in development of non-serial Library resources in humanities and social sciences; supervise and review monographic bibliographic searching and distribution of monographs for cataloging. Advise with faculty members and librarians (including several subject bibliographers) or program needs and collection development priorities. Expedite specific requests for ordering; work with Acquisitions section (ordering and receiving) in expediting flow of orders and books and streamlining procedures. Participate in review of current books received on blanket orders. Assist in administration and organizational planning of Monographs department, which includes also cataloging. Thorough knowledge of bibliographic tools and searching techniques, experience in acquisitions, reading-level language competence (especially French and German), solid academic preparation including a subject specialty in the humanities or social sciences, and superior initiative and flexibility are among the desirable qualifications. This position offers a challenging opportunity both to grow with the developing programs of an academically demanding University and to contribute significantly to their success. "We are an equal opportunity employer." University of California, Riverside, California 92502.

SOCIAL SCIENCE

JOHN R. COMMONS INDUSTRIAL RELATIONS Reference Center, University of Wisconsin, needs librarian starting September 1969. Responsibilities include acquiring university reference collective in the fields of anthropology, economics, industrial relations, poverty, sociology; selecting industrial relations material for JRC collection; coordinating industrial relations collections in libraries on campus. M.A. in library science. Social science background preferred. Supervise one professional librarian, 3 clerical employees, and student assistants. Salary \$8,000 to \$9,000 for 12 months. Send inquiries and résumé to Vickie Triplett, 8432 Social Science Building, University of Wisconsin, Madison, Wisconsin 53706.

Technical Services

HEAD OF TECHNICAL PROCESSES to direct order, serials and cataloging activities of

a growing liberal arts college library of 85,000 vols. Converting to LC. Degree from ALA accredited school and professional experience at a supervisory level. Salary \$8,500-\$11,000, depending on experience. Generous benefits. Send resume to James E. Gaines, Jr., Library Director, Birmingham-Southern College, Birmingham, Ala 35204.

ASSISTANT SERIALS LIBRARIAN. Librarian II, step 4, \$9,156. Open July 1, 1969. Assist in serials acquisition and resources development in the humanities and social sciences in a rapidly growing Serials Department, and head the bibliographic searching section of the department. Some reference work will be possible. The Serials Department is organized to provide all services relating to serials. A good technical-bibliographic background in serials, experience in acquisitions, and a subject specialty in one of the humanities or social sciences are highly desirable. This position offers an excellent opportunity both to specialize in or gain mastery over technical-bibliographic work along academic subject lines and to be involved in readers' service. "WE ARE AN EQUAL OPPORTUNITY EMPLOYER." University of California, Riverside, California 92502.

ASSISTANT LIBRARIAN to divide time between serials & general reference in expanding college. (4,700 enr; 100,000 vols; 765 current periodicals; new bldg.) Salary \$7,800 up for M.L.S. Faculty status, med & life insur pd. Send resume to: Anne Cramer, Libn, Southwestern State College, Weatherford, Okla. 73096.

SERIALS CATALOGER to assist with serials cataloging, take charge of serials reclassification, and assume major responsibility for training new catalogers. Good experience with L.C. required. Beginning salary \$11,000 (academic year plus 8-weeks summer session). Complete academic status with all regular faculty vacations. New library building. Fast-growing university with enrollment of 18,500, seven miles from another major university, and thirty miles from Detroit. Position open September, 1969. Apply Mrs. Roberta Keniston, associate director of the library, Eastern Michigan University, Ypsilanti, Michigan.

ACQUISITIONS LIBRARIAN. Highly responsible position in undergraduate men's college library. Budget nearing \$90,000 annually. Supervise staff of 3-4 nonprofessionals. Attractive salary range. Box 758, CRL, 50 E. Huron St., Chicago 60611.

LIBRARIAN with practical experience in Automation to study engineering college collection as well as implement same on computer. M.L.S. required. Salary, open. New building. Excellent fringe benefits, relocation expenses. Contact A. G. Anderson, Jr., Head Librarian, Worcester Polytechnic Institute, Worcester, Mass. 01609. Telephone (617) 753-1411, Ext. 412.

The Invisible Product . . . SERVICE

An invisible, intangible product goes into every shipment we send out. That product is Service . . . and it costs you nothing extra. Our clientele can't see it, but they certainly are aware that they are receiving it!

We're proud of the rapid, efficient manner in which we handle your book requirements. Our huge inventory, stocked in our own warehouses . . . our trained personnel . . . our progressive management . . . these are the ingredients that make up our most desirable product—SERVICE!

Cataloging U.S.A.

A thorough and critical examination of library cataloging theory, principles, and practice as they have developed in the United States. A refreshing and stimulating approach to the "whys" of cataloging for students, staff members, and administrators.

Paul S. Dunkin 192 pages Cloth
LC 69-17680 SBN 8389-0071-2(1969) \$5.00

Historical Sets, Collected Editions, and Monuments of Music

A Guide to Their Contents, 2d edition

A new edition of the unique, comprehensive bibliography of published music. Records and indexes major sets, including definitive editions of individual composers' works, and most of the major collections. Entries, using Library of Congress form, in the main, give composer or compiler, title of the collection, place of publication, publisher, date, collation, and contents of the collection. More than ten languages are represented with the Roman alphabet used throughout. More than one-third of the entries are new to this edition. Those retained from the 1957 edition have been extensively revised, expanded, and updated. Composer-title-form or medium index. Indispensable to music libraries and major reference collections and important for general libraries serving musicians, musicologists, and music students.

Library of Congress and National Union Catalog Author Lists, 1942-1962: A Master Cumulation

FIRST VOLUMES OF THIS BIBLIOGRAPHIC WORK
DELIVERED; OUTPUT OF VOLUMES ACCELERATES

With the initial volumes of the Master Cumulation in print and the output of new volumes accelerating, the editorial and production staffs are now geared to completion early in 1970 of the 152-volume, one-alphabet cumulation of the four important supplements to *A Catalog of Books Represented by Library of Congress Printed Cards*:

Catalog of Books Represented by Library of Congress Printed Cards--Supplement (1942-1947)

The Library of Congress Author Catalog, 1948-1952

The National Union Catalog: A Cumulative Author List, 1953-1957

The National Union Catalog: A Cumulative Author List, 1958-1962

LC-NUC Author Lists, 1942-1962, will provide libraries with a quick, easy, one-reference source for the bibliographical and cataloging data covering books, maps, atlases, periodicals, and other serials cataloged by the Library of Congress during the twenty-one years, 1942-1962, and by other North American libraries, 1956-1962.

Subscribers to *LC-NUC Author Lists, 1946-1962*, can anticipate the imminent availability and use of this twenty-one year bibliographic record and the substantial savings in both the time and labor which are required now of catalogers, bibliographers, acquisitions personnel, scholars, and others who must consult the four separate supplements.

Total cost of the 152-volume set is \$2,888.00 or \$19.00 per volume. Write us or call us (313-961-2242) collect for additional information. Examination copies will be sent upon request.
