ACRL seeks nominees for office

Would you like to serve on the ACRL Board of Directors as vice-president/president-elect or seek office in an ACRL section? Would you like to nominate anyone else for such a position? If the answer is yes, here is what you need to do.

ACRL Board of Directors

The ACRL Appointments and Nominations Committee will be nominating candidates for ACRL vice-president/president-elect. The election will be held in the spring of 1993. The winners will hold office beginning in the summer of 1993. If you wish to be considered for nomination or if you would like to submit names for consideration, contact the chair of the committee: Hiram Davis, Director of Libraries, Michigan State University, East Lansing, MI 48824-1048, prior to the ALA Annual Conference in San Francisco.

ACRL section officers

Candidates for vice-chair/chair-elect of ACRL sections are selected by the Nominating Committee of each section. If you would like to nominate someone or be nominated for vice-chair/chair-elect of an ACRL section, contact the chair of the Nominating Committee for the appropriate section prior to the ALA Annual Conference in San Francisco. Other section offices, including secretary and member-at-large, may also be under consideration for this term of office, which would begin in the summer of 1993.

ChernoLit™

[ЧерноЛит]

Chernobyl Bibliographic Search System

Battelle Software Products is proud to announce ChernoLit, an extensive bibliographic search system about the Chernobyl nuclear accident. ChernoLit contains 4,500 references and abstracts in an easy-to-use format and allows users to interactively search the bibliographic data through menu-driven software. With yearly updates you can be assured it is one of the most complete bibliographic sources for Chernobyl research.

The releases from Chernobyl and subsequent data collection present a resource for evaluating historical risk, transport and deposition models using extensive real-world data. Previously, these models were based on laboratory experiments, theoretical calculations, simulated accidents and limited real data.

ChernoLit is provided on high density floppy disks and is easily installed on an IBM PS/2, AT or fully IBM-compatible PCs.

The cost is \$395.00 each (U.S./Canada) and \$500.00 each (international). All titles and abstracts are written in English. To place an order please call 1-800-451-3543 or (614) 424-6393. For more information call (509) 375-6787.

All prices U.S. dollars only. Applicable sales tax for the following states: CA, CT, KS, MA, MD, MS, NY, OH, PA, SC, TN, TX, UT, VA, WA.
