

## SLAVIC HOLDINGS COMMITTEE REQUESTS RETURN OF QUESTIONNAIRE

Coincident with the wishes of the Slavic and East European Subsection of the Association of College and Research Libraries of ALA, the Slavic Holdings Committee mailed to academic and public libraries of the U.S. and Canada a questionnaire on holdings of Slavic material in these libraries.

Most libraries promptly returned the completed questionnaires. To the others we have sent two and three reminders with additional copies of the questionnaire. Others have asked for specific information in regard to their particular holdings and their questions have been answered. However, we still have not received all the returns on the questionnaires which have been sent out.

Please help us to succeed 100 percent in our project. Complicated replies are not necessary. Answer the questions as simply as possible and return the forms immediately to: Dr. W. O. Luciw, Chairman, Slavic Holdings Committee, ACRL, State University Library, 418 West Nittany Avenue, University Park, Pennsylvania 16802.

## GUIDE TO NEW SLAVIC PUBLICATIONS AVAILABLE

The Slavic Bibliographic and Documentation Center of the Association of Research Libraries has begun the publication of a monthly acquisitions guide to new Slavic publications. It is designed to provide, in one place, bibliographical information about forthcoming and recent titles in the social sciences and humanities published in all Slavic languages, in the Soviet Union, Poland, Czechoslovakia, Yugoslavia, and Bulgaria. The guide is intended primarily for those college and smaller university libraries which do not collect in depth, but which do need a good, well-rounded working collection in one or several Slavic languages and/or subject areas.

The first three issues of *New Slavic Publications, A Guide to Selection and Acquisition in the Social Sciences and Humanities*, have been distributed free of charge. Beginning with vol. 2, no. 1, September 1970, subscriptions will be accepted at a rate of \$10 a year for institutions, and \$5 for individuals. Subscriptions and requests for more information should be addressed to the Slavic Bibliographic and Documentation Center, Association of Research Libraries, 1527 New Hampshire Ave., N.W., Washington, D.C. 20036.
