20 men with a mission

The men: Information Dynamics Corporation's library systems specialists.

Their mission: To bring "space-age" cataloging and processing to your library with IDC's Micrographic Catalog Retrieval System.

Located in major cities nationwide, these specialists are trained to (1) help you make a cost analysis to show you how the MCR System can save you money in your own day-to-day library operations and (2) provide competent and comprehensive service—from equipment installation to staff training and systematic follow-up.
