UNIVERSITY OF CHICAGO GRADUATE LIBRARY SCHOOL

Calls for Applications for Fellowships for Advanced Study in Library Management

A new program sponsored by the Council on Library Resources beginning March 29, 1982, will help prepare middle and upper level managers in large libraries through a full calendar year of academic studies. On the completion of the course of study, Fellows will be awarded a Certificate of Advanced Study. Applicants will have the M.S. in Library Science degree or equivalent, and from 3 to 5 years of management experience. Up to 8 students may be selected by the faculty who will evaluate a statement of academic and professional objectives, the applicant's record of experience, and performance on both the GRE and the GMAT (Graduate Management Aptitude Test). The faculty will also consider the nature and extent of support (for example, leave with some pay) that applicants are able to secure from their own institutions.

Up to 5 successful applicants will receive full tuition and a stipend of \$8,000. All students admitted to the program will be designated CLR Fellows.

Application **deadline February 1, 1982.**

To apply write to: **Dean, Graduate Library School, JRL S-106, University of Chicago, 1100 East 57th Street, Chicago, Illinois 60637.**

Classified Advertising

Deadlines: Orders for regular classified advertisements must reach the ACRL office on or before the second of the month preceding publication of the issue (e.g., September 2 for the October issue). Late job listings will be accepted on a space-available basis after the second of the month.

Rates: Classified advertisements are \$4.00 per line for ACRL members, \$5.00 for others. Late job notices are \$10.00 per line for members, \$12.00 per line for others. Organizations submitting ads will be charged according to their membership status.

Telephone: All telephone orders should be confirmed by a written order mailed to ACRL headquarters as soon as possible. Orders should be accompanied by a typewritten copy of the ad to be used in proofreading. An additional \$10 will be charged for ads taken over the phone (except late job notices or display ads).

Guidelines: For ads which list an application deadline, that date must be no sooner than the last day of the month in which the notice appears (e.g., October 31 for the October issue). All job announcements must include a salary figure. Job announcements will be edited to exclude discriminatory references. Applicants should be aware that the terms faculty *rank* and *status* vary in meaning among institutions.

JOBLINE: Call (312) 944-6795 for late-breaking job ads for academic and research library positions. A prerecorded summary of positions listed with the service is revised weekly; each Friday a new tape includes all ads received by 1:00 p.m. the previous day. Each listing submitted will be carried on the recording for two weeks. The charge for each two-week listing is \$30 for ACRL members and \$35 for non-members.

Fast Job Listing Service: A special newsletter for those actively seeking positions. The service lists job postings received at ACRL headquarters four weeks before they appear in *C&RL News*, as well as ads which, because of narrow application deadlines, will not appear in *C&RL News*. The cost of a six-month subscription is \$10 for ACRL members and \$15 for non-members.

Contact: Classified Advertising Dept., ACRL, American Library Association, 50 E. Huron St., Chicago, IL 60611; (312) 944-6780.
