JOURNAL INFORMATION

Theology Cataloging Bulletin (*TCB*), a publication of Atla, is published in January, April, August, and October. It contains information about new and changed Library of Congress Subject Headings (LCSH) and Library of Congress Classification (LCC) numbers compiled from the Library of Congress's monthly lists, upcoming training opportunities, bibliographies of recently published articles, and other information of interest to religion/theology catalogers. Each issue also contains a column entitled "Perspectives & Practices," which is a first-person narrative of an experience, project, or training of interest to the technical services community.
