My name is Myla. I am seven years old. I live in Toronto, Canada. I like leaves.

It is **autumn**. In autumn, leaves fall from the trees. I hope I can play in the leaves.

First, I make a big **pile** of leaves. The pile is in front of the house.

Next, I take **part** of the pile to the back of the house. There is more **space** in the back. Now the **new** pile is small.

The wind **blows** more leaves into the pile. These leaves are yellow, orange, red, and **purple**. The wind is cold. I jump into the leaves. It is warm in the leaves.

I love leaves! I love leaves! I love leaves when they fall off trees. This is a fun day. What fun **things** do you want to do today?
