

3 WALKS OF LIFE, 2 NATIONS, 1 PROJECT

“The World Is Our Home is an amazing compilation of not only stories, but of unique cultural experiences that provide the reader with a glimpse into the lives of children across two nations. I cannot wait to see our future anthologies grow to include writings from youth around the globe.”

—Vera Marinova, Books & Beyond Staff Director, Indiana University

“People often have different aims and different ideas about success. Play360 was thrilled to find Books & Beyond as a partner for our project at their school in Rwanda. We aligned well with their programs and goals and had lots of respect for the work that they do. We saw firsthand the wonderful things that Books & Beyond has accomplished.”

—Jonathan Racek, Play360 Director, Indiana University

“During my time with Books & Beyond, I have made lifelong friendships, developed professional skills, and carved a place in my heart for literacy, service, and the people of Rwanda. I cannot think of a more fulfilling way to have spent my college years. Most importantly, remember that no matter where life takes you, the world is our home!”

—Parker Henry, Books & Beyond Student Director, Indiana University
