Salden T. & Peters R.S. 2025. Afrotropical Ceraphronoidea (Insecta: Hymenoptera) put back on the map with the description of 88 new species — Corrigendum. *European Journal of Taxonomy* 1004: 312.

<https://doi.org/10.5852/ejt.2025.1004.2981>

The present corrigendum corrects the definition of a morphological character in Salden & Peters (2023).

## Corrigendum

Page 8, Table 2:

The definition of the character harpe/gvc index was erroneously given as “The index obtained by dividing the harpe length by the gvc width”.

The correct definition is: “The index obtained by dividing the harpe length by the gvc length”.
