2017 Membership Application

Our members support the enrichment of the scholarship in optometry history and the preservation of and access to the archival and museum collections that make this research possible. It is because of the vital support provided by the American Optometric Association and Optometry Cares® - The AOA Foundation that the Archives and Museum of Optometry can maintain collections that have taken more than a century to build. It is because of the support of members of the OHS that these materials remain viable resources for the education of future generations.

The Archives & Museum of Optometry

The Archives & Museum of Optometry (AMO) has been taking care of the tangible pieces of our optometric memories since 2009 by **Collecting, Preserving, and Sharing**. This service to you would not be possible without generous donations from optometrists interested in maintaining an outstanding collection of archival material and museum objects. Located at the American Optometric Association headquarters in St. Louis, AMO strives to ensure the protection of our legacy for future generations.

Support The Archives & Museum of Optometry! Make your donation at www.aoafoundation.org
