

2018 Membership Application

Our members support original scholarship in optometry history and the identification of people and places significant to the development of the profession. The OHS also encourages the preservation and use of archival and museum collections that make this research and recognition possible. It is because of the support of members of the OHS that we are able to produce publications and educational events that highlight the important role understanding the past plays in charting the future of the profession.

Yes! I want to join the Optometric Historical Society!

The Archives & Museum of Optometry

PROTECT YOUR LEGACY

Collect

- More than 10,000 photographs, prints, negatives, slides, film and video-recordings
- Thousands of ophthalmic instruments, devices, *objets d'art* and pieces of ephemera
- Rare books, historic periodicals, unique manuscripts and records, and audio-recordings

Preserve

- 1,800 square feet of secure, climate controlled storage space
- Trained staff provide preservation assessment, monitoring, treatment and housing
- Conservation and preservation projects prioritize at-risk and high-value materials

Share

- Computer catalog and finding aids increase accessibility to collections
- Public and private exhibits promote the profession of optometry and vision science
- Digital access to frequently used materials encourages research and scholarship

THE MISSION OF THE OPTOMETRIC HISTORICAL SOCIETY

Protect and promote the historical legacy of the profession of optometry.

THE MISSION OF THE ARCHIVES & MUSEUM OF OPTOMETRY

Collect, preserve, interpret and make available for research archival resources and museum objects that document the history of the profession of optometry as a clinical practice, academic discipline, and a health science.
