ON THE COVER

Meeting for orientation and training ca.1980 at the Northport NY VA Medical Center of the initial influx of new VA optometrists hired as a result of Public Law 94-581, which was passed by Congress in 1976. That law removed optometrists from civil service pay grades (Title 5) and placed them in more competitive pay grades (Title 38) along with VA physicians, dentists, nurses and pharmacists. The first Director of the VA Optometry Service, Dr. Ken Myers, is standing in the front row, far left. Standing next to him in the front row is Dr. Robert Newcomb.
