

Ginger Ale and Amaretto
shawn HESTON

I went bowling at an Elk's Lodge
with Johnny Depp.
It was dark but he was upset
they weren't bowling well.
Then I threw one into the wall.
A girl I went to high school with
brought out drinks.
I never liked her but
she had a great body.
Leaning over a balcony,
she might fall
but I couldn't stop staring...
She said she knew the door code
and her father was angry.
We were in a McDonald's drive thru.
She gave me two singles
for a cheeseburger and jalapeno bites.
The screen said I ordered pancakes.
His voice told me to pull forward
and keep my foot on the pussy.
