

We tried to be careful, however, a few typographical errors slipped through editing. Here are some corrections:

Pages v, 473: Elena Ciobanu's translated poems are in Romanian, not Estonian.

Page 5: Contributors: Adrienne Kalfopoulou: should read "adjunct faculty", not "adjuct faculty".

Page 104: Peter K. Steinberg, "Textual Variations in *The Bell Jar* Publications": Footnote 1: should read "December 12, 1958" not "December 12, 1959".
