Tube feeding in advanced dementia: Insights from South African speech-language therapists

*Danette Pullen, Bhavani S. Pillay, Esedra Krüger*

South African Journal of Communication Disorders | Vol 71, No 1 | a970 | 12 February 2024

## Original Research

36

Exploring quality of life post sudden onset hearing loss: A convergent parallel approach

*Liepollo Ntlhakana, Sabeedah Hamid*

South African Journal of Communication Disorders | Vol 71, No 1 | a990 | 16 February 2024

## Original Research

43

Outcomes and device use in children with bone-conduction hearing devices in South Africa

*Chéri van Zyl, Christine Rogers, Silva Kuschke*

South African Journal of Communication Disorders | Vol 71, No 1 | a1005 | 19 February 2024

## Original Research

51

Enhanced Milieu Teaching in resource-constrained settings: Stakeholder-informed adaptation guidelines

*Chevonne D. du Plessis, Lauren H. Hampton, Michal Hartly*

South African Journal of Communication Disorders | Vol 71, No 1 | a989 | 21 February 2024

## Original Research

61

Swallowing and feeding of young children on high-flow oxygen therapy

*Ruhee Hoosain, Bhavani Pillay, Shabnam Abdoola, Marien A. Graham, Esedra Krüger*

South African Journal of Communication Disorders | Vol 71, No 1 | a1010 | 02 March 2024

## Original Research

68

Who really decides? Feeding decisions 'made' by caregivers of children with cerebral palsy

*Lavanya Naidoo, Mershen Pillay, Urisha Naidoo*

South African Journal of Communication Disorders | Vol 71, No 1 | a1001 | 18 March 2024

## Original Research

82

Help-seeking journey to accessing audiology services in a peri-urban community in South Africa

*Thobekile K. Mtimkulu, Katijah Khoza-Shangase*

South African Journal of Communication Disorders | Vol 71, No 1 | a1002 | 20 March 2024

## Original Research

91

Communicative practices and perceptions towards stuttering people in South Africa

*Rockie Sibanda, Tlou C. Mothapo*

South African Journal of Communication Disorders | Vol 71, No 1 | a1008 | 22 March 2024

## Original Research

102

Cultural adaptation and Sepedi translation of the Activities-specific Balance Confidence scale

*Tammy L. Prinsloo, Karin Joubert*

South African Journal of Communication Disorders | Vol 71, No 1 | a1004 | 21 May 2024

## Original Research

113

'[M]y own pace and space, without the pressures': Online learning experiences of audiology students

*Liepollo Ntlhakana, Aadilah Alli*

South African Journal of Communication Disorders | Vol 71, No 1 | a1012 | 22 May 2024

## Original Research

123

Awareness of audiology and speech-language pathology services among healthcare professionals in Saudi Arabia

*Ahmad A. Alanazi, Mohammed F. ALHarbi, Abrar M. AlMutairi, Maryam A. AlRashied, Reham Abed*

South African Journal of Communication Disorders | Vol 71, No 1 | a1043 | 07 June 2024

## Original Research

133

Awareness, attitudes and perceptions of students towards leisure noise in Durban, South Africa

*Husna Mahomed, Seema Panday*

South African Journal of Communication Disorders | Vol 71, No 1 | a1040 | 28 June 2024

**Original Research****143**

Caregivers' perspectives of early developmental tele-assessments in challenging circumstances

*Maria N. du Toit, Renata Eccles, Kailin Westwood, Marien A. Graham, Jeannie van der Linde*

South African Journal of Communication Disorders | Vol 71, No 1 | a1037 | 23 July 2024
