

Appendix I: Evaluation of *Riveter*-scores for *Life of Lepidoptra*

Lexicon	Entity	Valence	Verb	Parse	Sentence	Human Judgement
power	everything	negative	know	dobj	"You always did have to know everything."	Accurate
power	he	negative	torture	dobj	she loves to torture him with it	Accurate
power	history	negative	know	dobj	he knows history that hasn't been written yet.	Accurate
power	i	negative	stamp	dobj	I don't know what you're talking about!" She stamps her foot.	Accurate
power	i	negative	mock	dobj	"You mock me."	Accurate
power	madam butterfly	negative	tease	dobj	"Madam Butterfly," he says, because he knows history that hasn't been written yet and loves to tease her for it.	Accurate
power	me	negative	pull	dobj	"If only you hadn't pulled me down,"	Accurate
power	she	negative	tempt	dobj	Three times six months ago he spoke in that same sinuous voice, tempting her to taste the feast he'd laid out on the table.	Accurate
power	she	negative	wonder	nsubj	Sometimes though she wondered whether that swollen ache in her lower half was starving after all	Accurate
power	you	positive	dare	nsubj	'How dare you.'	Accurate
power	you	positive	mock	nsubj	"You mock me."	Accurate
power	you	positive	pull	nsubj	"If only you hadn't pulled me down,"	Accurate
power	everything	positive	taste	nsubj	You always did have to know what everything tasted like.	Doubtful
power	he	negative	plant	dobj	she planted his seeds inside of her,	Doubtful
power	you	negative	return	dobj	Only trying to return your favors.	Doubtful
power	he	positive	shake	nsubj	He shakes his head.	Doubtful, cancels out the other scoring of 'shake' though.
power	you	positive	know	nsubj	"You're free here, you know."	Doubtful, the 'knowing' is a rhetorical question.
power	she	positive	plant	nsubj	she planted his seeds inside her	Doubtful. Perhaps this means succumbing to his power.
power	eyes	positive	call	dobj	Her eyes narrow. "Call me a pig."	False, the eyes are not the direct object of the verb 'call'
power	he	negative	shake	dobj	He shakes his head.	False. 'His head' is accurately resolved to the entity 'he', but shaking his head does not diminish his power.

power	i	positive	stamp	nsubj	I don't know what you're talking about!" She stamps her foot.	False. Again, 'her foot' is accurately resolved to her, but her stamping it is an indicator of impotence, not power.
agency	moths	negative	flap	nsubj	moths flap for the light	Accurate
agency	she	negative	wonder	nsubj	Sometimes though she wondered whether that swollen ache in her lower half was starving after all	Accurate
agency	she	positive	tell	nsubj	she tells him	Accurate
agency	she	positive	plant	nsubj	she planted his seeds inside her,	Accurate
agency	i	positive	seethe	nsubj	"I will be," she seethes,	Accurate
agency	i	positive	stamp	nsubj	She stamps her foot.	Accurate
agency	i	positive	say	nsubj	"I meant to say 'mothered'."	Accurate
agency	you	negative	know	nsubj	You're free here, you know."	Accurate
agency	you	positive	smile	nsubj	He smiles.	Accurate
agency	you	positive	dare	nsubj	"How dare you."	Accurate
agency	you	positive	take	nsubj	"you shall take the part of Pinkerton"	False. He is deciding what she should do.
agency	you	positive	mock	nsubj	"You mock me."	Accurate
agency	you	positive	pull	nsubj	"If only you hadn't pulled me down,"	Accurate
agency	he	positive	say	nsubj	"I'm sorry," he says smoothly,	Accurate
agency	he	positive	speak	nsubj	"I'm speaking of your propensity towards curiosity, of course."	Accurate
agency	he	positive	shake	nsubj	He shakes his head.	Accurate
agency	everything	positive	taste	nsubj	You always did have to know what everything tasted like.	Doubtful, does being tasted contribute to the agency of 'everything'?
agency	it	negative	occur	nsubj	has it ever occurred to you the world above could be a chrysalis?	Accurate
