PROFILE

Dr. Lucien W. White became University Librarian at the University of Illinois at Urbana-Champaign on September 1. He is replacing

Dr. Lucien W. White

Robert B. Downs who retired on August 31, 1971.

Dr. White is a native of Hillsdale, Illinois. He graduated from Augustana College in 1935. He holds three advanced degrees from the University of Illinois—an M.A. and a Ph.D. in French and an M.S. in Library Science. He also has studied at

the University of Iowa, the Sorbonne, and the University of Grenoble.

He taught modern languages at Augustana College from 1939 to 1953. He was appointed Head Librarian at Augustana in 1954, a position he held until he came back to the Urbana campus in 1958 as Associate Director for Public Service Departments in the University Library and Professor of Library Administration. In 1965 his title was changed to Director of Public Services and in 1968 he was named Associate Dean of Library Administration, a title he held until he was chosen to head the organization as University Librarian.

He has served as President of the Illinois Library Association, is a member of the Illinois State Library Advisory Council, and has acted as library consultant for a number of institutions in and out of the state. Locally he has

served as a board member and president of the Board of Trustees of the Champaign Public Library. He has been a member of the U. of I. Campus Planning Committee since 1967 and has been chairman since 1970.

Taking over the helm of a great research library at a time when all of higher education is going through an extremely trying period would be a challenge to any administrator, and Dr. White will find ample challenges as he guides the University of Illinois Library through the coming years.
