• ***Serial Titles Held by the Academy of Natural Sciences Library*** (516 pages, 1985) lists all serials records for the library complete with title history, holding statements, and Academy call number as well as ISSN, CODEN, and other information. Cross references for previous titles, corporate author, and foreign place of publication are also included. The list is available for \$50 (unbound) or \$60 (in buckram binding) from Brian Convery, Academy of Natural Sciences, 19th and The Parkway, Philadelphia, PA 19103.

• ***Water and Water Policy in World Food Supplies: A Selected Bibliography***, compiled by Julia

M. Rholes, Lisa T. Abbot, and Lori Bronars (1985), has been published by the Sterling C. Evans Library at Texas A&M University in conjunction with the International Conference on Water and Water Policy in World Food Production held on the campus in May 1985. The bibliography lists 1700 sources in topics such as water supply, water salinity, water management, integrated ecosystem management, energy and water interrelationships, and technology. Monographs, conference proceedings, government publications, technical reports, journal articles, and dissertations are included. A directory listing international, national, and state institutions that sponsor research or issue publications on water-related topics follows the bibliography. ■■

Earlham erratum

The Earlham BI workshop is for a full three days, May 1-3, not just May 3 as listed in the *C&RL News* Calendar column for November.

Deadlines: Orders for regular classified advertisements must reach the ACRL office on or before the second of the month preceding publication of the issue (e.g. September 2 for the October issue). Late job listings will be accepted on a space-available basis after the second of the month.

Rates: Classified advertisements are \$5.00 per line for ACRL members, \$6.25 for others. Late job notices are \$12.00 per line for members, \$14.00 for others. Organizations submitting ads will be charged according to their membership status.

Telephone: All telephone orders should be confirmed by a written order mailed to ACRL headquarters as soon as possible. Orders should be accompanied by a typewritten copy of the ad to be used in proofreading. An additional \$10 will be charged for ads taken over the phone (except late job notices or display ads).

Guidelines: For ads which list an application deadline, that date must be no sooner than the 20th day of the month in which the notice appears (e.g., October 20 for the October issue). All job announcements should include a salary figure. Job announcements will be edited to exclude discriminatory references. Applicants should be aware that the terms faculty *rank* and *status* vary in meaning among institutions.

JOBLINE: Call (312) 944-6795 for late-breaking job ads for academic and research library positions. A pre-recorded summary of positions listed with the service is revised weekly; each Friday a new tape includes all ads received by 1:00 p.m. the previous day. Each listing submitted will be carried on the recording for two weeks. The charge for each two-week listing is \$30 for ACRL members and \$35 for non-members.

Fast Job Listing Service: A special newsletter for those actively seeking positions. This service lists job postings received at ACRL headquarters four weeks before they appear in *C&RL News*, as well as ads which, because of narrow deadlines, will not appear in *C&RL News*. The cost of a six-month subscription is \$10 for ACRL members and \$15 for non-members.

Contact: *Classified Advertising Dep't, ACRL, American Library Association, 50 E. Huron St., Chicago, IL 60611; (312) 944-6780.*
