The North West Quality Improvement Systematic Review Group in the U.K., are currently undertaking a systematic review on quality improvement in health libraries. We would welcome any contributions from colleagues in alerting us to unpublished studies or reports which examine / evaluate quality improvement systems (performance indicators, standards, benchmarking or other quality systems / tools) in health libraries.

Please e-mail Victoria Kirk, Clinical Librarian at victoria.kirk@nhs.net.

On behalf of the North West Quality Improvement Systematic Review Group (UK)
