Jl. Soemantri Brojonegoro No.1, Bandar Lampung 35145, Indonesia
E-mail: sylva.lestari@fp.unila.ac.id

Jurnal Sylva Lestari is an open-access journal launched in 2013, published by Department of Forestry, Faculty of Agriculture, University of Lampung in collaboration with Indonesia Network for Agroforestry Education (INAFE) - SEANAFE. Jurnal Sylva Lestari publishes original research articles related to forest and natural resources management, biodiversity conservation and management, wood science and timber technology, agroforestry, social forestry, forest products and services, and socio-economics of natural resources. It is primarily a medium for disseminating original theoretical and experimental researches, as well as technical reviews. This journal issues one volume annually consisting of three issues delivered every January, May, and September. Jurnal Sylva Lestari is accredited PERINGKAT 2 (**SINTA 2**) by the Ministry of Research, Technology and Higher Education of the Republic of Indonesia since Volume 7 Number 3, September 2019.

Jurnal Sylva Lestari

Peer Review Process

All manuscripts submitted to Jurnal Sylva Lestari must follow focus and scope and author guidelines. All manuscripts must be free from plagiarism contents. Editors will use plagiarism detection software to do similarity checking. The research article submitted to this journal will be peer-reviewed by at least 2 (two) reviewers. Editors will make the final decision of article acceptance according to reviewers' comments.
